OUR MOBILE DENTAL UNIT

SUMMER 2025

Welcome Vinny!

Hi everyone! I'm Vinny, and I recently joined the team here at Smile Together as the dentist on our Mobile Dental Unit. It's been a fantastic few months so far — I've loved getting out and about across Cornwall, meeting so many wonderful people and being part of such a supportive and passionate team.

Every day brings something new, and it's incredibly rewarding to know we're making a real difference in the communities we serve — right where it's needed most.

Looking forward to seeing more of you on the road soon! ❤️

— Vinny

Did You Spot Us on the News?

We were proud to be featured on BBC Spotlight and ITV Westcountry recently, showcasing our mobile dental unit and the vital care we're delivering to communities across Cornwall.

Mobile Dental Unit Refurbishment

We're thrilled to be back on the road after our recent refurbishment, with our Mobile Dental Unit looking better than ever and continuing to make a real difference in our communities. Keep an eye out for us — you can't miss us!

THIS SUMMER..

Our Mobile Dental Unit has been on the move across Cornwall, providing vital care to patients on our waiting list and local fishing communities. We visited Humphry Davy School, Newlyn Harbour, and Morrisons car parks in Penzance and Redruth, including special children's days to help improve access for young patients.

COMING UP...

Our mobile dental unit is continuing its journey across Cornwall, delivering care right where it's needed most. We'll be in Mevagissey, working with local fishermen to provide essential dental treatment and oral health support. We'll be back in Penzance, where we'll be seeing a mix of veterans, patients from the NHS waiting list, and fishermen.
